

# Precision

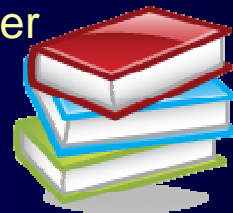

## I need:

- Clear, step-by-step directions supported by examples
- Time to produce neat, well-structured work
- A work-friendly environment free of distractions
- Regular feedback on working progress

## I need:

- Complete, detailed information
- Time to ask for and research further information
- The opportunity to write in length
- Time to revise work and correct mistakes

# The 4 LML<sup>®</sup> Learning Patterns

## I need:

- Relevance
- Hands-on activities
- Problem-solving situations
- The opportunity to handle tools and discover how gadgets work

## I need:

- The opportunity to work differently from others
- Exposure to original and creative ideas
- The opportunity to bypass or twist rules
- An element of risk-taking

# Technical Reasoning
