- Do I have the right information? Is it enough?
- Will I receive feedback concerning my work?
- Am I on the right track? Will I get a good grade at the end?
- Do I have enough time to go over my work and correct possible mistakes?

- I research information and write long, detailed reports.
- I ask a lot of questions and take detailed notes.
- I take tests and quizzes to show what I know.
- I go to great lengths in order to prove that whatever I am doing is correct.

- I feel frustrated when I do not know all the answers or feel that I did not say all I had to say.
- I hate it when I do not have the necessary information or cannot find the information I need.
- I feel frustrated when people do not explain thoroughly or do not provide detail.
- I take pride in giving excellent work and obtaining good grades.
